**Bachelor of Science Sociology
2020-2021 Undergraduate Catalog (120 Units)
(Upper Division Coursework)**

The sociology program at Northern Arizona University will help you learn to apply sociological theory and methods to the study of issues in contemporary society and culture. You'll sharpen your critical thinking skills and gain knowledge about diversity, individual behavior, and group dynamics. Whether your career takes you into public service, private industry, or a non-governmental organization, the university's sociology program will help you understand-and act effectively-in the world around you.
