This agreement is developed using the 2017-18 IVC Academic Catalog (and Addendum), the 2017-18 CC Academic Catalog and the 2016 General Articulation Agreement between the two institutions. The very nature of higher education results in periodic curriculum changes. Should these changes occur to either the AS-T in Business Administration for Transfer or the CC BA Business Administration degree, the institution with the change will notify the partner institution and a new Education Plan will be developed, if necessary.
