Have you ever been issued a traffic violation? Yes ☐   No ☐
If yes, attach a one page statement describing incident. (Only report traffic violations involving alcohol or controlled substances)

Previous convictions: When applying for the VN license, the **CA Board of Vocational Nurse & Psychiatric Technicians** www.bvnpt.ca.gov will consider *the nature, severity, and recency of the offense(s), as well as rehabilitation and other factors, but <u>cannot make a determination</u> for approval or denial of a license without evaluating the entire (licensure) application and supporting documentation.* IVC Nursing applicants are therefore, required to submit a typed statement with the application identifying all occurrence(s). A background check and drug screen will be required if admitted to the program. **Failure to disclose this information (including expunged convictions) will disqualify the applicant, or cause dismissal from the Nursing Program.** The IVC Nursing Program does **not** make a determination whether a student with a past history of criminal activity should or should not apply.

I certify that the answers I have given are true and correct, and I have not withheld any facts or circumstances. I verify that I meet the 2.5 minimum GPA required in all my coursework. I further understand that all information given is subject to verification, and any falsification, misrepresentation, or omission of facts are sufficient reason for dismissal upon discovery at any time during enrollment in the IVC LVN Program.
